

GEORGE MURPHY  
Candidate Here

### GOP Senate Candidate Will Speak

Former movie and television actor George Murphy, now a candidate for the Republican nomination for the U. S. Senate, will speak at 8 p.m. Thursday, April 9, at the Torrance High School auditorium.

The meeting is under joint sponsorship of the Torrance Republican Federated Women's Club and the Torrance Republican Club, Inc. Admission is free.

Murphy served on the Screen Actors Guild board for 15 years, and received a special Oscar for his contribution to the film industry.

An active member of the Republican Party for many years, he was a delegate to the Republican National conventions of 1948, 1952, and 1956. In 1960, he was an alternate delegate. In 1963, he served as state chairman.

Mrs. John Wren, chairman for the evening's program, said 12 deputy registrars of voters would be on duty before and after Murphy's address to register voters before the deadline.

Voters will not be able to vote in the June 2 primary if they fail to register before the deadline at midnight, April 9. Information may be obtained by calling FA 8-1776.

### Carson High Enrollment Will Grow

An enrollment of 2,200 students by next year has been predicted for Carson High School by Philip Wilson, registrar at the school.

Wilson said the student population increased to 1,956 pupils this year, including 36 transfer students attending Carson High under special Board of Education permit.

The increase, said Wilson, was due to the open school policy at Carson High. The policy permits any student to attend Carson as long as he provides his own transportation.

Attendance at Carson is expected to increase rapidly as the Carson-Dominguez area grows.

### Homemakers Will Visit L.A. Center

By JENNEL ASHLEY  
Carson High School

It's a modern electrical world, and 25 Carson High School homemaking students will have an opportunity to view some of the latest in electrical devices April 3.

The group, accompanied by Mrs. Marion De Wild, will visit the Electric Living Center in West Los Angeles as guests of the center.

The Carson High group will travel by bus with students from other schools in the area. They will hear explanations on electrical appliances and see several demonstrations at the center.

The party will have lunch at the center and return to their schools shortly after noon.

The 25 students were selected on the basis of their attendance in class.

### Area Student Attends Meeting

David G. Lippman, 3813 W. 184th Place, attended the national student conference at Occidental College last week.

Lippman, a student at the University of Southern California, is chairman of the academic affairs committee for the USC student government.
